According to European Regulation (EC) No 1272/2008 (CLP Regulation) and Regulation (EC) No 1907/2006 (REACH Regulation), the above product components do not require a Safety Data Sheet (SDS), but this is available on request.

However, when handling this product, we recommend that you carefully read the product inserts/data sheets and use good laboratory practices, such as avoiding unnecessary contact, immediately absorbing and disposing of spills, and using personal protective equipment (e.g., chemical-resistant gloves, eye protection, and lab coats). Please remember that the product must be disposed of in accordance with applicable legislation and local regulations.

BIOTYPE GmbH accepts no liability resulting from handling or contact with our products.

If you have any questions, please contact us: sds@biotype.de

Kind regards,

BIOTYPE GmbH
